

Guidelines for Poster Session

(Adapted from NACAA Poster Session Guidelines)

Poster Formatting and Display

- Posters must not exceed the dimensions of 60 inches in width and 44 inches in height.
- Ensure that the chosen typeface is easy to read.
- Use a maximum of two different typefaces on the poster.
- The size of the lettering for text and illustrations should be between 24 and 48 points.
- Posters will be displayed on a corkboard. The board and push pins will be provided.

Program Title, Author, Institution, and Address

- The title of the poster, along with the authors and their affiliations, should be at the top.
- Use a simple sans-serif typeface, such as Arial or Helvetica.
- The lettering for the title should be at least 48-point size (or at least half an inch) or larger.

Abstract

- The term "abstract" should be placed at the beginning of the abstract text.
- The minimum font size for abstracts is 16 points.
- Extension Education abstracts must demonstrate program impact.
- Applied Research abstracts should contain research data.

Content

- Do not create a poster as if it were a manuscript.
- Use primarily tables and figures, limiting text.
- Details of the work can be discussed during your poster session.

Supporting Materials:

- Materials that support the poster, such as workshop workbooks and handouts, may be placed on the floor beneath the poster.
